## Other Logos used by Koenig Equipment - Ohio, continued

Koenig Equipment has a logo that was developed for use in John Deere Template ads. It's use should be limited to those ads. (Koenig Ohio only)

Koenig developed the *Centennial Certified* logo in 2004 to commemorate Koenig's 100 year history and to denote high quality used equipment that meets rigorous standards. It may be used along side images of Centennial Certified equipment, or in an advertising explanation, etc. The *Koenig Certified* logo was developed in 2015.

The *KoenigCare Planned Maintenance* logo is used in reference to service and pre-inspection programs that are customized maintenance programs developed for both Ag and turf equipment exclusive to Koenig Equipment, Inc.

## Other Logos used by Koenig Equipment - Indiana

Koenig Equipment ads dealing with financing should include the following logo.

Koenig Equipment ads dealing with parts or parts and service should include the following logo.

Koenig developed the *Centennial Certified* logo in 2004 to commemorate Koenig's 100 year history and to denote high quality used equipment that meets rigorous standards. It may be used along side images of Centennial Certified equipment, or in an advertising explanation, etc. The *Koenig Certified* logo was developed in 2015.
